

Today in
writing, we are
going to play a
game!

It's called, "would you
rather?"

Take out a piece of paper and pencil,
or a word document on your
computer

There will be several slides giving two scenarios.
You pick which one "you would rather"

You will only need to choose ONE slide to write about

Once you have picked the slide you want to compare you are going to write about which "thing" you would rather do

- When writing, you need to give 3 reasons WHY you chose that item over the other item

AND

- You need to give evidence for each reason

Here is an example of what your work could look like ...

Slide Question:

Would you rather go to Disneyland or Hawaii?

Answer

I would rather go to Disneyland because there are rollercoasters. **For example** you can go on Space Mountain or on The Matterhorn.

-rollercoasters is my **reason**, Space Mountain and The Matterhorn are my **evidence**

*This would be followed by TWO more reasons with more evidence

Would you rather...

- Go skiing or go to a water park?

Would you rather...

- Be a wizard or a superhero?

Would you rather...

- Be able to create a new holiday or create a new sport?

Would you rather...

- Visit the international space station for week or stay in an underwater hotel for a week?
